Dear Ms. Martin:

**Re: BC Hydro Smart Meters**

Thank you for your presentation made at the regular meeting of the Board held August 23, 2011 with respect to BC Hydro Smart Meters.

Please be advised that the Board endorsed the following resolution with respect to your presentation:

*That the Regional District of Nanaimo request a moratorium be placed on the mandatory installation of wireless smart meters until the major issues and problems identified with wireless smart meters are independently assessed and acceptable alternatives can be made available at no added cost to the consumer and that the Regional District of Nanaimo support the resolution proposed by the City of Colwood to U.B.C.M.*

If you have any questions, please do not hesitate to contact this office.

Sincerely,

Maureen Pearse
